

Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Saturday 21 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Some heavy rain at first, then settling down.

This Evening and Tonight:

Heavy rain and showers becoming confined to northern and eastern England, where they may persist into Sunday morning. Turning drier elsewhere with broken cloud and some clear spells.

Sunday:

Rain soon clearing from eastern England. Showers developing across some northern, eastern and central parts. Some sunny spells, especially in the west where it will feel fairly warm.

Outlook for Monday to Wednesday:

A mainly fine and dry spell, though a few light showers are likely in places on Monday. Warm, perhaps very warm for some northwestern areas, otherwise temperatures close to normal.
